FEDERAL SECURITY SERVICES

*Federal
Security Services*

Federal Security Services L.L.C. ®It was Established Since 2012 to provide Party Security & Private Guarding Services and Property Guarding & Surveillance Services.

FSS provides a full range of security services across all market segments. Our security personnel provide a visible security presence, demonstrating a broad range of skills from general guarding to highly specialized security roles.

FSS is a registered trademark under license number 230607 since 28/7/2015 at Ministry of Economy in UAE and an ISO 9001-2008 certified organization since 2014.

Mission

We are striving towards delighting our customers by providing committed, ethical, efficient and cost-effective services while constantly adding value through innovation in our services and up gradation of our skills.

We are offering our human assets a challenging and healthy work environment, where individuals are nurtured, performances are rewarded and opportunities are provided for continuous growth and development

Vision

To maintain recognition as being one of the leading organizations, in the business of providing security related services and to set the benchmark for this service.

Our Team

Highly experienced Management Team who has significant experience in the Security Services Field and we believe our intensive experience and cultural diversity lead us the edge.

Each individual brings their own unique skill set of experience; qualifications, language and culture, and together can offer a wealth of services.

Federal Security – Always there to Protect and Secure you

Why federal security?

Our guards are carefully chosen and intensively prepared

At Federal Security Services L.L.C. ® all our security guards are carefully chosen based on their level of professionalism, mannerism, aptitude and skills. They also undergo a complete and thorough background check.

Our intensive preparation and training for the security officers ensure their ability to be employed in the corporate office buildings and reception areas. Their training encompasses hypothetical and practical work that focuses on: customer service, public relations, surveillance techniques, fire, health and safety.

Added values of using a security guard from Federal Security Services L.L.C. ® are:

- ◆ We can provide you with security coverage all hours, days or nights depending on your needs.
- ◆ Our security guards will be suitably dressed for your work, office building or reception.
- ◆ We believe the image is everything and a first impression is lasting one and each of our employees will
- ◆ strive to represent your company and take pride in what you do.
- ◆ All our guards are trained and licensed by **Security Industry Regulatory Agency (SIRA)**.

We have a comprehensive range of guarding services, tailored and designed to assist in providing total security solutions. We know what it takes to keep your business safe and how to add value to your company by providing superior customer service and attention to all details.

Federal Security – Always there to Protect and Secure you

COMMERCIAL & RESIDENTIAL BUILDINGS SECURITY

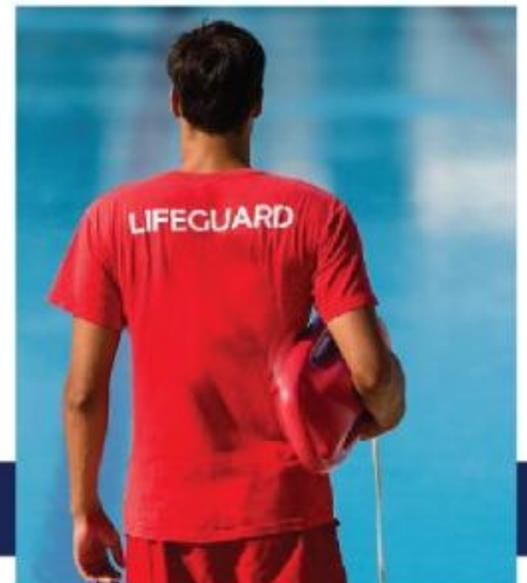

Our guards are working with hotels, hospitals, school, universities, banks, logistics etc .

There are a plethora of concerns for maintaining building security, so it's necessary to ascertain the specific circumstances of each establishment to ensure effective security and risk control, whilst simultaneously upholding our client's corporate persona. All FSS guards have been trained in customer service to a professional degree in order to ensure the highest standard of service, as well as specific training to appease to our client's unique requirements.

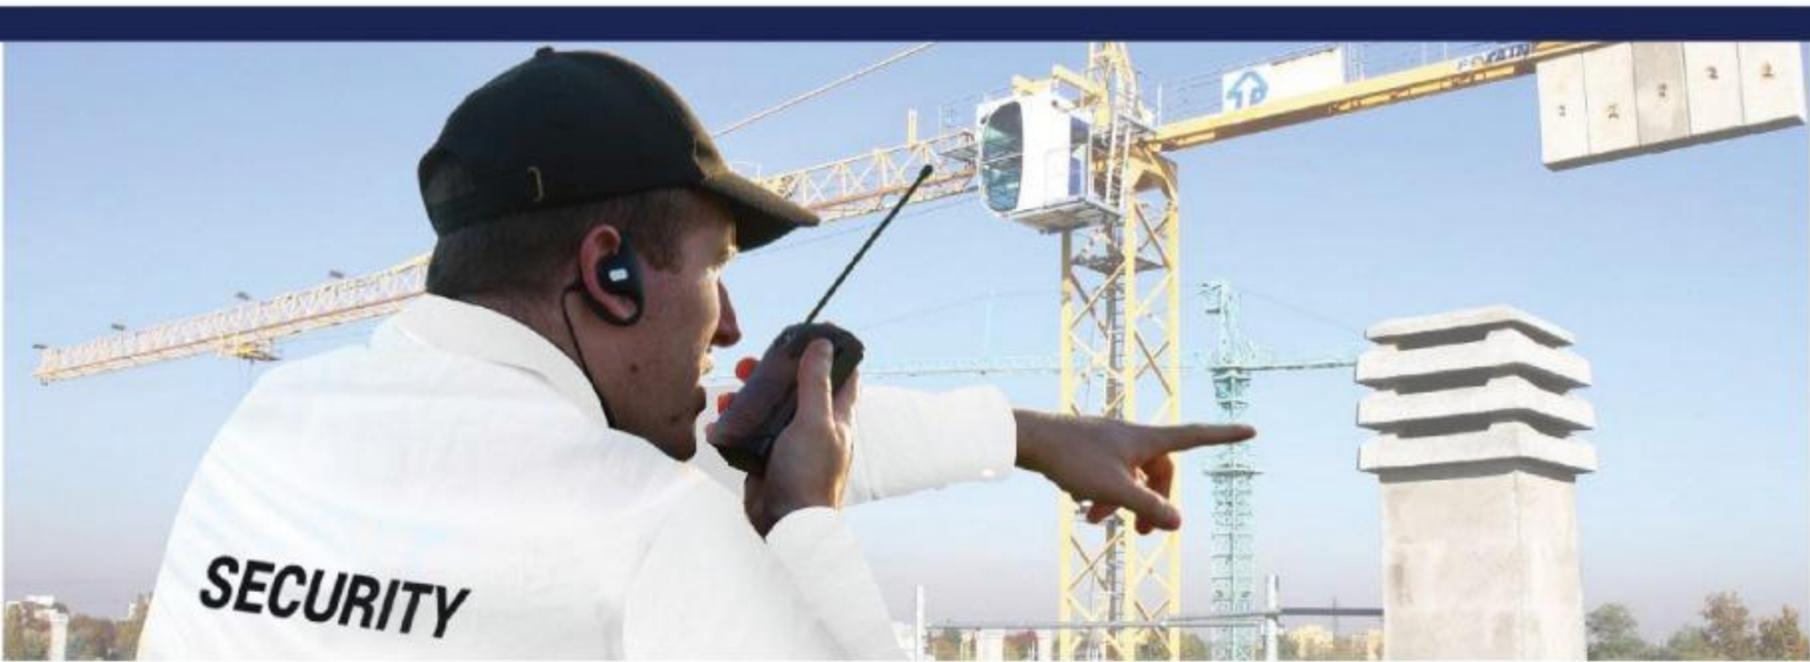

We provide a wide selection of services, including parking enforcement, entrance to reception, building locking, inner and outer patrols, logging entering and exiting visitors and staff and perimeter security.

FSS is a mixer of various nationalities, who came from Pakistan - India - Nepal - Philippines - Uzbekistan - Uganda - Cameroon - Nigeria and Arab Countries with a wealth of experiences behind them.

We are passionate about excellence and are committed to world class quality striven through the best value to our clients by supporting our clients' goals.

RETAIL SECURITY AND RISK PREVENTION

We have a considerable number of officers with backgrounds in customer-facing roles. We are fully trained in assuming a professional and delicate approach to customers.

Our guards are expertly trained in dealing with sellout crowds, including sale periods which warrant focus due to the influx of heavy crowds in short bursts. We are also skilled in emergency evacuations in large shopping malls and similar establishments.

In addition to this, we see control room operations, car park management, first aid and in store detectives.

Federal Security Services L.L.C. ® has relevant experience of ready responses to tackle new challenges to any situation with commitment and confidence.

***We also provide Female Security Officers, Life Guards and CCTV Operators.**

EVENTS SECURITY AND VIP PROTECTION

Federal Security Services L.L.C. ® has provided security for a variety of events, major sporting events, product launches and corporate functions for many years.

We are widely experienced in security management at events where disruption by certain elements threatens the company's reputation or the safety of others attending the event.

Our team will first work closely with the organizers to conduct an event security risk assessment and provide advice on the measures needed to mitigate the risk of disruption. The risk assessment will consider sources of threat, the overall event profile and objectives. We also work closely with dignitary protection teams to measure the risk posed by the attendance of high-profile visitors such as senior government officials.

During the event itself, **Federal Security Services L.L.C.** ® will provide on-the-ground security management and coordination to oversee the agreed security plan's implementation. In addition, **Federal Security Services L.L.C.**® will also provide specialist protective support packages for any individuals identified as high-risk or those with mandated additional security requirements.

In the event of an incident, we will activate and direct contingency measures.

TRAINING METHODOLOGY

Our guards are initially trained and certified from **Security Industry Regulatory Agency (SIRA)** including **DPS Training Course, First Aid and CPR, Fire-Fighting, CCTV Operator Course, Life Guard Course** and are then deployed at site where they undergo on the job training before taking over independently.

Apart from this, regular refresher training is given by our training team who have years of practice & experience on their shoulders. Training is provided in our state-of-the-art training room.

The trainers also ensure that the guards are trained on-site for site-specific duties. Importance is given to **Loss Prevention, Lost & Found, Traffic Control, Security Patrols, Key Control, Customer Handling, Code of Conducts, Objectives of Security Dept, Reporting Sick, Vehicle Accidents, Terrorist Threats, Evacuation Procedures, Shift Handover, Post Descriptions, Telephone Etiquettes** and more.
